

## **Criminals are experts at impersonating people, businesses and the police.**

They spend hours researching your business for their scams, hoping you will let your guard down for just a moment.

**Stop:** If you receive a request to make an urgent payment, change supplier bank details or provide financial information, take a moment to stop and think.

**Challenge:** Could it be fake? Verify all payments and supplier details directly with the company on a known phone number or in person first

**Protect:** Contact your business's bank immediately if you think you've been scammed and report it to Action Fraud.
